

WOBURN PUBLIC SCHOOLS: Youth Engaged in Service (Y.E.S.)

Students who complete 50 hours of community service through their elementary school years are eligible to receive the Youth Engaged in Service (Y.E.S) award at the end of grade five.

Community Service hours can be earned by volunteering (not being paid) to help others. Routine school chores such as clapping erasers, cleaning cafeteria tables as well as household chores such as shoveling snow or washing dishes DO NOT count as community service hours. Volunteering at a local soup kitchen, collecting winter coats for those in need or volunteering time at a senior center DO count as community service hours. What a fun and rewarding way to give back to your community.

Please use the log sheet below to track your service hours and submit them at the end of the school year to the principal's office at your child's school. Please inquire about a deadline if your child is in 5th grade. Additional forms can also be found at school.
